## **MINISTRY WORK 101**

Ministry Work 101 (MW 101) basically consists of doing what you love and love what you are doing. The photos represent just that during our Vacation Bible School, work group from Valley Christian Church (VCC), Jose leading camp worship, teaching camp classes and our summer 2023 interns, Samuel and Uriel.

Samuel and Uriel

To start your MW 101 day off, everyone needs a cup of coffee from one of our new EMM/CDN coffee mugs.

Ministry Work 101 sometimes finds you active with a church full of children at VBS, or like Jose, leading worship and teaching at church camp. Then again it might find a group of willing volunteers to come for a week of work and ministry.

Ministry Work 101 Fun!

Ministry Work 101 sometimes involves painting or painting friend. Or the joy of sharing in a birthday celebration, or making new friends. It may have you help prepare for a class such as Samuel and Uriel were doing by helping Debbie from Valley Christian for a ladies gathering at the Ontañon Church of Christ. Or it may involve a late night game of UNO Spin with new friends. Then again it may be former Casa de Niños boys, Ithamar and Efrain, coming home to see one another and do MW 101 with their Valley Christian family.

MW 101 Happy Birthday Samuel.

MW 101 means getting involved.

MW 101 is not all work.

VBS children fill the Mission Work 101 classes with joy, fun, games and coloring. Uriel and Samuel once again leading and teaching.

VCC had their work cut out for them as they bought rough lumber and had to cut, plain, router, sand, assemble and varnish 8 bunk beds.

Mission Work 101 requires dedication, work and commitment from those on the field to everyone that supports the ministry. Pictured is our 2015 VW van which recently required an extensive amount of mechanical work (new transmission). The repairs have been completed but now we are in debt to pay for the work. This is where our faithful supporters can now come together to work hand in hand with us to see this need fulfilled. MW 101 working together.

This monthly edition of Emanuel Mexico Mission News is purposely filled with photos and information to show the ministry work being carried out in the inner city of San Luis Potosi, Mexico. Under the umbrella of Emanuel Mexico Mission are three important ministries being carried out. #1. Church Ministry - Ontañon Church of Christ #2. Children's Ministry - Casa de Niños #3. Christian Ministry Classes - University Bible Classes.

Debbie Roth, left, shared with our Ontañon ladies the importance of living a transformed life for Jesus and Michael Nelson right, shared the importance of missions in the local church. Kirk and Alex doing Mission Work 101, building beds. But no picture expresses better the joy than Edwin's smile of what Emanuel Mexico Mission means to him. Jesus loves me!

## **Emanuel Mexico Mission**

Friends are friends forever, Paty, Debbie and Xitlali. Giving Uriel the opportunity to practice what he is learning at Bible College is changing his future and the future of the children and adults who are all a part of the Emanuel Mexico Mission family.
