

EMANUEL MEXICO MISSION WORKING PARTNERSHIP

This is the fourth letter of 2023 incorporating the words, work, workers or working. This month we will learn about the Working Partnership we have with our supporters. Three areas of partnership that are vital to the ministry are prayer, giving and hands on.

Prayer partnership: Prayers are the foundation of the ministry and supplies us with the strength both physically and spiritually to carry out our mission.

Partner with us and pray for our current on site staff members.

Jose: Field Director, Minister and Missionary Leader

Xitlali: Financial Secretary and Missionary Assistant

Tony: Maintenance Director and Missionary Assistant

Pray for more workers both full time and part time to meet the needs of reopening the children's home. House parents, staff both for the home and outreach ministry.

Giving partnership: Honestly we need more funds to operate the ministry as is and to grow. Inflation has affected everyone, especially missionaries. Prices all over the spectrum have increased. We praise God for the generosity and support of all those that continue to give. We ask that you share about the exciting things that are happening here so others can partner with us in sharing the Gospel message to the inner city.

Hands on partnership: Valley Christian Church from Lakeville, Minnesota will be coming July 8 - 16 to Mexico. To do list has been made and they are excited and preparing for their upcoming experience. If you would like to donate to the much needed maintenance needs please make out a special gift to Emanuel Mexico Mission, summer projects.

“I thank God every time I remember you. In all my prayers for all of you. I always pray with joy because of your partnership in the gospel from the first day until now,” Philippians 1:5
